

# LIVE IN THE WOW

ION360™

## TRANSFORM YOUR PHONE INTO A 360 CAMERA

### SNAP IT

Simply snap the ION360 U camera onto your smartphone to instantly launch the app.

### SHOOT IT

Capture amazing, immersive 360-degree 7.4MP images and 4K videos.

### SHARE IT

Instantly share, or go live, on your favorite 360-friendly social media platforms.

### EXPLORE IT

Tell your story from every angle. With 360-degree to explore, you and your followers will discover something new with every view.

## CAPTURE LIFE LIKE NEVER BEFORE

- 360-degree 7.4MP image and 4K UltraHD video capture and live streaming with one click.
- Battery charging case keeps your phone powered and protected so you never miss a moment.
- Seamless hardware/software integration through the ION360 U gives you immediate control to begin capturing 360-degree images and videos.
- Compatible with iPhone 7, 7 Plus and Samsung Galaxy S8, S8+.
- Share your photos and videos directly from your ION360 U with your friends and family on Facebook™ and YouTube™.\*

\*Facebook supports both ION360 U videos and photos. YouTube supports ION360 U videos.

**Q: What is the ION360 U?**

A: The ION360 U Camera is an ultra portable camera that attaches to your smartphone and combines the features of a battery case, two spherical cameras, and an app that work together to capture immersive 4K 360-degree video and images that you can live-stream or share on social media instantly anywhere, anytime. The battery case not only protects your phone, but will charge it too!

**Q: How does the ION360U work?**

A: It's easy to set up and use. Just put your phone into the battery case, snap the camera onto it, and the app will automatically download to your phone. The two individual cameras record images and video, and the app will perfectly stitch both sources together to create a true 360-degree video or image. You can live-stream instantly, or save your video or images within the app.

**Q: Which phones will work with the ION360 U?**

A: The ION360 U is customized for iPhone 7 and 7 Plus and Galaxy S8 and S8 + smartphones.

**Q: Does the ION360 U have internal storage?**

A: All photos and videos captured are stored within your phones memory or can be uploaded to other cloud-based applications. The ION360 U by itself does not have any internal storage.

**Q: Will the ION360 U use my phone's battery?**

A: Nope! The ION360 U camera is powered by the ION360 U battery case and will not draw any power from the phone.

**Q: How does the ION360 U battery case work?**

A: The ION360 U battery case is the power source for the ION360 U camera and can also be used as a backup battery for your phone.

**Q: Is the ION360 U waterproof or shockproof?**

A: The ION360 U is not waterproof or shockproof. Please do not get it wet or drop it.
